

Grand Opening of Garlic Market in Qixian Persimmon

On June 10, 2020, the garlic market of Qixian Persimmon Garden was grandly opened. At 9 o'clock in the morning, there was a surge of people in the market. Garlic farmers and [china garlic supplier](#) in the market came to the market early. Representatives of well-known enterprises and institutions from different garlic production areas also attended the event. International Garlic Trade Network was invited to attend the opening ceremony. [China Garlic Price](#) is reasonable and of high quality.

Garlic Market was constructed by Qixian Jindinghe Agricultural Trade Company with a total investment of 115 million yuan. It is now a poverty-relief enterprise in Kaifeng City, mainly providing garlic, peanuts, peppers and other agricultural and sideline products purchase and sales, storage, processing services, providing garlic and garlic farmers and garlic farmers with logistics trading venues, the market management department will further strengthen market monitoring work. While improving infrastructure construction, standardize market transactions, and strive to maintain the market's fairness, openness, and fairness'.

The garlic planting area of Qi County reaches 600,000 mu, with an annual output of 800,000 tons of garlic. After years of development, Qixian County has established a complete group of cold storage and fresh storage, supporting the steady sales of garlic throughout the four seasons. It has built more than 80 processing enterprises such as garlic slices, peeled garlic, garlic granules, and garlic oil, and the products are exported to the United States and Europe, Japan, South Korea, Southeast Asia, Indonesia and other dozens of countries and regions, the market is highly welcomed.
